

TheRecordingArtist.com

The ultimate music experience for Bands and Fans

In Support of Artists

FREE studio recording sessions with multi-platinum
award winning producer/ engineer

86 bands have been featured on the live webcast recording sessions, each receiving a free recording of one of their original songs. To date, a value of \$172,000.00* in professional recording services have been given to these artists.

Once completed, 100% ownership of the new multitrack recordings the mastered mix recording belongs to the bands.

TV Shows and Live Webcasts

Worldwide Exposure

Season #1 includes ten TV episodes featuring 39 bands and is available on Amazon Prime Video, on therecordingartist.com website and on our own Roku TV Channel called "The Recording Artist".

Season #2 will include 10 -12 episodes.

* based on Otto D'Agnolo's typical production fee and studio rate.

Moving Forward

Membership Growth / Market Expansion

Word is slowly getting out. Bands from other areas of the country are getting involved. *Trashy Annie* from Austin, TX and *Fancy Cat* from Long Island, NY both made the trek to AZ just to be on the show. *High Neighbor* from Washington DC and *Capture This* from Denver, CO are currently talking about scheduling recording dates.

Dani Cutler and Erin Riley join our cast for Season 2. Dani has been the program director and morning DJ at KWSS 93.9 FM serving greater Phoenix area for 18 years and adds market credibility on a local level. Erin Riley's successful career in major market radio as a Music Supervisor for over 30 years makes her a powerful addition to our show on a national level. .

We are currently focused on developing strategic relationships in markets coast to coast.

Our Ask
